1. Who is the Original Man?

The Original Man is the Asiatic Black Man; the Maker; the Owner; the Cream of the planet Earth, Father of Civilization, and God of the Universe.

Notes: Who is the Original Woman?

The Original Woman is the Asiatic Black Woman; the Maker; the Owner; the Womb of the planet Earth, Mother of Civilization, and God of the Universe.

2. Who is the Colored Man?

The Colored man is the Caucasian (white man). Or, Yacub's grafted devil, the Skunk of the planet Earth.

Notes: Google's Colored (past tense) definition: (of a person or their skin) show embarrassment or shame by becoming red; blush.

Caucasian meaning of the Caucas mountains of Europe.

Yakub is Yahweh or Yhwh, leader of the 60,000 Elohim.

Grafted meaning selective breeding or artificial selection in modern biological terms.

Devil is something derived from the original, biologically recessive or genetically engineered. Its evil is not confined to itself but spreads.

Skunk meaning fowl smelling animal.

3. What is the total population of the Original Nation in the wilderness of North America, and all over the planet Earth?

ANSWER: The population of the Original nation in the wilderness of North America is 17,000,000, with the 2,000,000 Indians making it 19,000,000. All over the planet Earth is 4,400,000,000.

4. What is the total population of the Colored people in the wilderness of North America, and all over the planet earth?

ANSWER: The population of the Colored people in the wilderness of North is 103,000,000. All over the planet Earth is 400,000,000.

Notes: 12 multiplies by 12 when 12 God pairs (24 Elders) choose 12 assistants making the 144 Chiefs. 144 multiplies by 1000 when 144 Chiefs each choose 1000 assistants making the 144,000 Judges. 144,000 multiplies by 1000 when the 144,000 Judges choose 1,000 leaders and the population becomes 144,000,000. 144,000,000 multiplies by 7 when the population of 144,000,000 each have 2 children per couple over 7 generations of a 7,000 year ancient lifespan. 144,000,000 multiplied by 7 gives the number 1 billion 8 million. Which is the natural maximum population for the Black Nation. 144,000,000 are born every 1,000 years and this is equal to the number of people who die at the age of 7,000. That is The Math Now Here Is The Proof! According to Wikipedia, there about 140 million black people in the diaspora. $1,008,000,000 - 140,000,000 = 868,000,000$ Black Africans that should be Living in Africa. Let's see if this number holds up. Africa Total Population of 1,200,000,000 - 330,000,000 Arab Africans - 6,300,000 White Africans = 863,700,000. $868,000,000 - 863,700,000 = 4,300,000$ more Black people scattered throughout the rest of the world. That's only a 0.43% error! (see [Supreme Mathematics](#))

5. What is the area in square miles of the planet earth?

The square mileage of the planet Earth is 196,940,000 square miles.

6. What is the exact square mileage of useful land that is used everything by the total population of the planet Earth?

ANSWER: The useful land that is used every day by the total population of the planet Earth is 29,000,000 square miles.

Notes: $29,000,000$ (useful)/ $196,940,000$ square miles (total) is 14.7% used.

7. How much of the useful land is used by the original man?

The Original man uses 23,000,000 square miles.

8. How much of the useful land is used by the Colored man?

The colored man used 6,000,000 square miles.

Notes: $23,000,000/29,000,000$ is 79.3% used by the original man

$6,000,000/29,000,000$ is 20.7% used by the Colored Man

9. What is the birth record of the said Nation of Islam?

The said Nation of Islam has no birth record, it has no beginning nor ending, it is older than sun, moon and star.

Notes: This means that the Nation of Islam refers to all original people (1 billion 8 million Black Gods). They are the only ones with no beginning nor end as they are self-generating.

10. What is the birth record of said Nations other than Islam?

Answer: Buddhism is 35,000 years old and Christianity is 551 years old.

Lost Found Muslim Lesson No 1 (1-14)

1. Why isn't the Devil settled on the Best Part of the Planet Earth?

Because the Earth belongs to the original Black man. And knowing that the Devil was wicked and there would not be any peace among them, he put him out in the worst part of the Earth and kept the Best Part preserved for himself ever since he made it. The Best Part is in Arabia, at the Holy City (Mecca). The Colored man or Caucasian is the Devil. Arabia is in the Far East and is bordered by the Indian Ocean on the south.

2. Why did Musa have a hard time to civilize the Devil -2,000 B.C.?

Because he was a savage. Savage means a person that has lost the knowledge of himself and who is living a beast life. Musa was a half-original man and a prophet. Two thousand B.C, means before Christ. In the Asiatic world, it was in the eleventh thousand hour. Civilize means to Teach the knowledge and wisdom of the human family of the planet Earth.

3. Why did we let half-original man, Columbus, discover the Poor Part of the planet earth?

Because the original man is the God and Owner of the Earth, and knows every square inch of it, and has chosen for himself the Best Part. He did not care about the Poor Part. Columbus was a half-original man was born in Italy, which is southeast Europe. His full name was Christopher Columbus and the place he discovered North America. He found the Indians here who were exiled sixteen thousand years ago from India. They are original people.

4. Why did we run Yacub and his made Devil from the Root of Civilization, over the hot desert, into the caves of West Asia, as they now call it – Europe? What is the meaning of Eu and Rope? How long ago? What did the Devil bring with him? What kind of life did he live? And how long before Mossa came to teach the Devil of the forgotten [Tricknollegy](#)?

Because they had started making trouble among the righteous people telling lies. They accused the righteous people causing them to fight and kill one another. Yacub was an original man and was the Father of the Devil. He taught the Devils to do this devilishment. The Root of Civilization is in the Arabian Desert. We took from them everything except the language and made him walk every step of the way. It was twenty-two hundred miles. He went savage and lived in the caves of Europe. Eu means hillsides and Rope is the rope to bind in. It was six thousand nineteen years ago. Musa came two thousand years later and taught him how to live a respectful life, how to build a home for himself and some of the Tricknollegy that Yacub taught him, which was devilishment – telling lies, stealing any how to master the original man. Musa was a half-original, a

prophet, which was predicted by the Twenty-Three Scientists in the year, One – fifteen thousand nineteen years ago today.

5. Why did we take Jerusalem from the Devil? How long ago?

Because one of our righteous brothers, who was a prophet by the name of Jesus, was buried there. He uses his name to shield his dirty religion, which is called Christianity; also, to deceive the people so they will believe in him. Jesus' Teaching was not Christianity. It was Freedom, Justice and Equality. Jerusalem is in Palestine (Asia Minor). Jerusalem is a name given by the Jews, which means founded in peace, and it was first built by the original man, who was called Jebus; also, Salem and Ariel. We took the city from the Devils about seven hundred fifty years ago.

6. Why does the Devil call our people – Africans?

To make our people of North America believe that the people on that continent are the only people they have and are all savage. He bought a trading post in the jungle of that continent. The original people live on this continent and they are the ones who strayed away from civilization and are living a jungle life. The original people call this continent – Asia, but the Devils call it, Africa, to try to divide them. He wants us to think that we are all different.

7. Why does the Devil keep our people illiterate?

So that he can use them for a tool and, also, a slave. He keeps them blind to themselves so that he can master them. Illiterate means ignorant.

8. Why does the Devil keep our people apart from his social equality?

Because he does not want us to know how filthy he is in all his affairs. He is afraid because when we learn about him, we will run him from among us. Socialist means to advocate a society of men or groups of men for one common cause. Equality means to be equal in everything.

9. Why does Muhammad make the Devil Study from thirty-five to fifty years before he can call himself a Muslim son? And wear the greatest and only Flag of the Universe? And he must add a sword on the upper part of the Holy and Greatest Universe Flag of Islam?

So that he could clean himself up. A Muslim does not love the Devil regardless to how long he studies. After he has devoted thirty-five or fifty years trying to learn and do like the original man, he could come and do trading among us and we would not kill him as quick as we would the other Devils – that is, who have not gone under this Study. After he goes through with this Labor from thirty-five to fifty years, we permit him to wear our Holy Flag, which is the Sun, Moon and Star. He must add the sword on the upper part. The sword is the emblem of Justice and it was used by the original man in Muhammad's

time. Thus, it was placed on the upper part of the Flag so that the Devil can always see it, so he will keep in mind that any time he reveals the Secrets, his head would be taken off by the sword. We give him this chance so that he could clean himself up and come among us. The Holy Flag of Islam is the greatest and only Flag known. The Universe is everything – Sun Moon and Stars. They are planets. Planets are something grown or made from the beginning. And holy is something that has not been diluted, mixed or tampered with in any form.

10. Why did Muhammad and any Muslim murder the devil? What is the Duty of each Muslim in regards to four devils? What Reward does a Muslim receive by presenting the four devils at one time?

Because he is One Hundred Percent wicked will not keep and obey the Laws of Islam. His ways and actions are like a snake of the grafted type. So Muhammad learned that he could not reform the devils, so they had to be murdered. All Muslims will murder the devil they know he is a snake and, also, if he be allowed to live, he would sting someone else. Each Muslim is required to bring four devils. And by bringing and presenting four at one time, his Reward is a button to wear on the lapel of his coat. Also, a free transportation in the Holy City Mecca) to see Brother Muhammad.

11. Have you not learned that your word shall be Bond regardless of whom or what?

Yes. My word is Bond and Bond is life, and I will give my life before my word shall fail.

12. What is the meaning of F.O.I.?

The Fruit of Islam. The name given to the military Training of the men that belong to islam in North America.

13. What is the meaning of Lieu. and Capt.?

Captain and Lieutenant. The Duty of a Captain is to give Orders to the Lieutenant, and the Lieutenant's Duty is to teach the private soldiers; also, train them.

14. What is the meaning of M.G.T. and G.C.C.?

Muslim Girls' Training and General Civilization Class. This was the name given to the Training of women and girls in North America – how to keep house, how to rear children, how to take care of their husbands, sew, cook and, in general, how to act at home and abroad. These Training Units were named by our Prophet and Leader of Islam, W. D. Fard.

Lost Found Muslim Lesson No 2 (1-40)

1. Who made the Holy Koran or Bible? How long ago? Will you tell us why does Islam re-new her history every twenty-five thousand years?

ANS. The Holy Koran or Bible is made by the original people, who is Allah, the supreme being, or (Black man) of Asia. The Koran will expire in the Year twenty-five thousand; (nine hundred eighty years from the date of this writing).

The Nation of Islam is all-wise and does everything right and exact.

The planet earth, which is the home of Islam, and is approximately twenty-five thousand miles in circumference. So the wise man of the East (Black man) makes history or Koran to equal his home circumference—a year to every mile. And, thus, every time his history lasts twenty-five thousand years, he renews it for another twenty-five thousand years.

2. What is the Circumference?

ANS. 24,896 miles; (approximately 25,000 miles).

3. What is the diameter of the Planet?

ANS. 7,926 miles; (Seven thousand, nine hundred twenty-six miles).

4. What is the total square mileage?

ANS. 196,940,000 square miles; (One hundred ninety-six million, nine hundred forty thousand square miles).

5. How much is the land and water?

ANS. 57,255,000 square miles of land. 139,685,000 square miles of water.

6. What is the total weight of our planet?

ANS. 6-sextillion tons — (a unit followed by twenty-one ciphers).

7. How fast does our Planet travel per hour?

ANS. 1,037 $\frac{1}{3}$ miles per hour.

8. What makes rain, hail, snow and earthquakes?

ANS. The Earth is, approximately, covered under water; (approximately $\frac{3}{4}$ ths of its surface).

The Sun and moon — having Attracting Power on our Planet, while our Planet — making the terrific speed of 1,037 1/3 miles on its way around the Sun. The Sun draws this water up into the Earth's rotation, which is called gravitation, in a fine mist that the naked eye can hardly detect. But as this mist ascends higher, and increasing with other mists of water in different currents of the atmosphere, until when she becomes heavier than gravitation. Then she distills back to the Earth in the form of drops of water or drops of ice, which depends on how heavy the mist was, in the current of the air it was in.

There are some layers or currents of air — real cold and warm, and some very swift and changeable. So when the water strikes one of these cold currents, it becomes solid ice in small, round drops in form or in a light, fluffy form, which is called snow. But this water is not ever drawn above six miles from the Earth's surface by the Sun and moon. The reason it rains back on our planet is because it cannot get out of the earth's sphere. With its high speed of rotating around the Sun — makes it impossible.

Earthquakes are caused by the Son of man by experimenting on high explosion. In fact, that all the above is caused by the Son of man.

9. Why does the Devil teach the eighty-Five Percent that a mystery God brings all this?

ANS. To conceal the True God, which is the Son of man, and make slaves out of the 85% by keeping them worshipping something he knows they cannot see (invisible) and he lives and makes himself rich from their labor. The 85% knows that it rains, hails and snows; also, hears it thunder above his head, but they do not try to learn who is it that causes all this to happen—by letting the 5% teach them. He believes in the 10% on face value.

10. Who is that mystery God?

ANS. There is not a mystery God. The Son of man has searched for that mystery God for trillions of years and was unable to find a mystery God. So they have agreed that the only God is the Son of man. So they lose no time searching for that that does not exist.

11. Will you sit at home and wait for that mystery God to bring you food?

ANS. Emphatically No!

Me and my people, who have been lost from home for three hundred and seventy-nine years, have tied this so-called mystery God for bread, clothing and a Home, and receive nothing but hard times, hunger, naked and out-of-doors.

Also was beat and killed by the ones who advocated that kind of God, and no relief came to us until the Son of Man came to our aid, by the name of our Prophet, W.D. Fard.

12. Tell us why the Devil does not teach that?

ANS. Because he desires to make slaves out of all he can so that he can rob them and live in luxury.

13. What brings rain, hail, snow and Earthquakes?

ANS. They continue daily to teach the 85% that all this that you see such as rain, snow, hail and Earthquakes comes from that mystery God that no one will ever be able to see until he dies. This is believed by the 85%.

The 10% know that when man dies that he will never come back and tell the living whether he lied or not because the dead is never known to return from the grave.

All the History of Islam never reveals anything that no man had ever been able to come back from a physical death. But there is a chance for mental death because the Lost-Found was once dead mentally and many of them revived from it. But they were not physically dead — only mentally dead.

14. Who is the 85%?

ANS. The uncivilized people; poison animal eaters; slaves from mental death and power, people who do not know the Living God or their origin in this world, and they worship that they know not what — who are easily led in the wrong direction, but hard to lead into the right direction.

15. Who is the 10%?

ANS. The rich; the slave-makers of the poor; who teach the poor lies — to believe that the Almighty, True and Living God is a spook and cannot be seen by the physical eye. Other wise known as: The Blood-Suckers Of The Poor.

16. Who is the 5% in the Poor Part of the Earth?

ANS. They are the poor, righteous Teachers, who do not believe in the teachings of the 10%, and are all-wise; and know who the Living God is; and Teach that the Living God is the Son of man, the supreme being, the (black man) of Asia; and Teach Freedom, Justice and Equality to all the human family of the planet Earth. Otherwise known as: Civilized People. Also are: Muslim and Muslim Sons.

17. What is the meaning of civilization?

ANS. One having knowledge, wisdom, understanding, culture, refinement and is not savage. Pursuit of Happiness.

18. What is the Duty of a civilized person?

ANS. To teach the uncivilized people, who are savage – civilization (righteousness, the knowledge of himself, the science of everything in life-love, peace and happiness).

19. If a civilized person does not perform his Duty, what must be done?

ANS. If a civilized person does not perform his Duty, which is Teaching civilization to others, they should be punished with a severe punishment. (Ezekiel – Chapter 3, 18th verse; St. Luke – Chapter 12, 47th verse).

20. What is the prescribed Law of Islam of said, person of that Ability?

ANS. That the civilized person is held responsible for the uncivilized and he must be punished by the Nation of Islam.

21. Who was the Founder of Unalike Attract and Like Repel?

ANS. An original man, who was a scientist by the name of Yacub, born twenty miles from the Holy City (Mecca) in the year – eight thousand four hundred.

22. How old was the Founder?

ANS. When Yacub was six years old, while playing with two pieces of steel, he discovered one piece had magnetic in it and the other piece did not. Then he learned that the piece with magnetic attracted the piece that did not have magnetic in it. Then he told his people that when he was old enough, he would make a nation that would be unlike, and he would teach them tricknolleg, and they would rule for six thousand years.

23. Tell us what he promised his Nation he would do?

ANS. That he would make a Devil; graft him from his own people; and that he would teach them how to rule his people for six thousand years.

24. What was his Idea of making Devil?

ANS. It was predicted of him that he would make Devil – eight thousand four hundred years before he was born. So he was born with a determined idea to make a people to rule for six thousand years.

25. How long did it take him to make Devil?

ANS. Six hundred years he was in grafting devil or making him from the Black man.

26. What year was that?

ANS. It was in the year – eight thousand four hundred, which means from the date of our present history of Koran. Or, about two thousand and six hundred years before the birth of the Prophet Musa.

27. What was the name of the Place where he manufactured the Devil?

ANS. Pelan. The same that is called Patmos in the Revelations, Chapter 1:9th verse, an island that is situated in the Aegean Sea.

28. And what kind of Rules and Regulations – including all Laws enforced while manufacturing the Devil?

ANS. Yacub's first rule was to see that all his followers were healthy, strong and good breeders. If not, he sent them back (all that he found that was not good in multiplying), and that they should marry at the age of sixteen. Next, Yacub gave his people the Law On Birth Control – to be enforced while manufacturing the Devil. That was to destroy the alike and save the unlike, which means kill the (Black babies) and save the brown babies. This law was given to the doctors, the ministers, the nurses and cremator. The Doctor's law was to examine all that marry. And this was his law: That anyone desiring to marry must, first, be qualified by the doctor and, in turn, he qualified or disqualified them to the minister. The minister would marry only the ones that were unlike. The Nurse's law was to kill the Black babies at birth by sticking a needle in the brain of the babies or feed it to some wild beast; and tell the mother that her baby was an angel baby and that it was only taken to heaven, and some day when the mother dies, her baby would have secured her a home in heaven. But save all the brown ones and tell their mother that she was lucky that her baby was a holy baby; and she should take good care of her baby, educate it, and that some day it would be a great man. All nurses, doctors and ministers – Yacub put them under a death penalty who fail to carry out the law as it was given to them. Also the Cremator, who would burn the Black babies when the nurse brought it to him. Also death for them if they reveal the Secret. He also had other rules and laws which are not mentioned in this Lesson.

29. Tell us why he was successful in all his undertakings?

ANS. Because the people, who were his followers, obeyed Yacub's Laws. Regardless what he told them to do, they did it. If not, they paid with their lives for every law they broke. Yacub did not build prison houses to imprison his people. When one fell victim of the law, the penalty was death and was enforced in every victim.

30. Tell us what and how the Devil is made?

ANS. The devil is made from the original people by Grafting (by separating the Germs). In the Black man there exists two germs: one – a Black germ, and one – a brown germ. Yacub, with his Law on Birth Control- separated the brown germ from the Black man and grafted it into a white by destroying the Black germ. After following this process for six hundred years, the germ became white, and weak, and was no more

original. Also, by thinning the original blood, it became weak, and it is no more the same. Thus, this is the way Yacub made the devil.

31. To make devil, what must you do first?

ANS. To make devil, one must begin grafting from the original.

32. Tell us the mental and physical power of a real devil?

ANS. The mental power of a real devil is nothing in comparison with the original man. He only has six ounces of brain, while the original man has seven and one-half ounces of brain which are original. The devil has six ounces of brain; they are grafted brains. The devil's physical power is less than one-third that of the original man. The devil is weak bone/weak blood because he is grafted from the original, therefore his mental and physical power is much weaker than the original man.

33. What is devil?

ANS. A grafted man which is made weak and wicked. Or, any grafted, live germ from the original is a devil.

34. And can you reform devil?

ANS. No. All the prophets have tried to reform him (devil), but were unable. So they have agreed that it cannot be done unless we graft him back to the original man which takes six hundred years. So instead of losing time grafting him back, they have decided to take him off the planet – who numbers only one to every eleven original people.

35. Tell us the exact date of the expiration of the devil's civilization.

ANS. Expired in Nineteen and Fourteen.

36. Tell us the exact number of years, months and days of devil being birthed on the planet.

ANS. Six thousand and twenty years; and seventy-two thousand, two hundred and forty-one months; two million, one hundred ninety-seven thousand, three hundred and fifty-one days at the date of this writing. (6,020 years; 72,241 months; 2,197,351 days).

37. Tell us what the devil teaches the eighty-five percent? That the God is a righteous and unseen being – exists everywhere?

ANS. ALLAH is the God in the Earth and in the Heavens above, and is Just and True, and there is no unrighteousness in HIM. But is not unseen. Is Seen and is Heard everywhere – for HE is the ALL-EYE-SEEING.

38. Then why did God make devil?

ANS. To show forth HIS power – that HE is All-Wise and Righteous. That HE could make a devil, which is weak and wicked, and give the devil power to rule the earth for six thousand years and, then, destroy the devil in one day without falling victim to the devil's civilization. Otherwise to show and prove that ALLAH is the God – always has been and always will be.

39. Now, tell us, would you hope to live to see that the Gods will take the devil into hell in the very near future?

ANS. Yes. I fast and pray, ALLAH, in the name of HIS Prophet, W. D. FARD, that I see the Hereafter when ALLAH, in HIS own good time, takes the devil off our Planet.

40. What will be your reward in regards to the destruction of the devil?

Our lessons are given in question and answer form. Each lesson is broken down by the individuals first self for deeper understanding. The initiate is asked to memorize as many lessons as possible to improve memory. As our memory improves we are able to relive events in our life as if they are actually happening. This memory improvement helps us to get into contact with the thoughts of the First/Higher self who's experience and knowledge is eternal.

Ans. Peace and happiness. I will give all I have and all within my power to see this day for which I have waited – 379 years. This Lesson No. 2 was given by our Prophet, W.D. Fard which contains 40 questions answered by Elijah Muhammad, one of the Lost-Founds in the wilderness of North America February 20th, 1934.

He is the center of his family controlling them with the knowledge of himself. Knowledge is also symbolic to the Sun for the fact the Sun is the foundation to the Solar System. The Sun is the center of the Solar System controlling all the planets with its gravitational pull. It is broken down into two words, know and Ledge. BIOLOGY

What is Ancient Biology?

Biology is the study of the 144,000 aspects of perfect character and the parts of the body that they correspond to. These 144,000 aspects of perfect character are the origin of the 144,000 animal and plant totems.

Why is character important?

Understanding character is important as all disease and mutation is a result of neglecting one or more aspects of character

How are the animals and plants formed?

Animal and Plant originate from the body of the original man and woman. Each part of the body corresponds to an original animal.

Who is the Original Man?

The Original Man is the Asiatic Black Man; the Maker; the Owner; the Cream of the planet Earth, Father of Civilization, and God of the Universe.

Who is the Original Woman?

The Original Woman is the Asiatic Black Woman; the Maker; the Owner; the Womb of the planet Earth, Mother of Civilization, and Goddess of the Universe.

Origin of Genetics

Why do animals and plants only represent one aspect of character?

Animals and plants are not unified beings as humans are. They reflect the integrity of character of the dominant society.

What are some aspects of perfect character?

“They include courage, wisdom, goodness, strength, grace, honesty, authority, gentleness, abundance, beauty, friendliness, laziness, humor, and many, many more totaling 144,000.

The vast majority of the parts or aspects of character do not have names in the English language. In the original languages, every aspect has two names, one for the animal and one for the plant. One original plant and one original animal were created for each aspect of your character.” Black Root Science

Where are the perfect animals and plant totems?

The 144,000 animal and plant totems are held in the custody of the 144,000 judges.

What about the foul and poisonous animals?

Moral character creates beautiful forms and immoral character creates ugly forms. Modern scientists have found the effects of certain words on water molecules. All foul and poisonous animals that we see today come from the character of the dominant society. For the past 6,000 years we have been experiencing the world of the man/woman made from the recessive genes of the original man and woman. This cycle of evil was started on the island of Patmos (Pelan) through a process of selective breeding (artificial selection). While the original man/woman has perfect character under their perfect society, the recessive man/woman is imperfect and lacks the seat of morality, thus animals and plants reflect the dominant society. All poisonous and foul plants and animals are deviations from the original 144,000 plant and animal totems and aspects of perfect character. For example, the blood-sucking animals of today are representative of the greed of the dominant society.

What about evolution?

Evolution teaches that man evolved from an animal. The opposite is true. All animals and plants are derived from a part of the mind of man/woman. The law of evolution is really the law of integrity. In other words, plants and animals evolve from the integrity of character of the dominant society.

How can an animal come from the mind of man/woman?

There have been recent studies that have scratched the surface of this idea. These studies include the concepts of the mammalian, insect, and reptilian aspects of the brain. These animals derive from parts of the body of the original man/woman.

What about DNA?

Currently, there are two active strands of DNA out of a total of 12 active DNA strands in our natural state. This process was set in motion 50,000 years ago to alter the human body, by forgetting aspects of character, through self-imposed isolation. This self-imposed isolation caused 10 strands of DNA to become dormant. This change allowed for the recessive genes of the original man/woman to be expressed phenotypically 6,000 years ago.

What makes a person recessive?

A person is recessive after the Black germ has been deliberately bred out over the course of seven generations. It takes one generation of breeding with the original man/woman to graft the Black germ back.

What is the Black Germ/Gene?

The Black Germ is the seat of morality or seat of God. It allows God to incarnate as an inner guide for a new personality or soul. There are a total of 1 billion 8 million original Gods that incarnate on a given planet at a single time each forming a new personality each time. The Black Germ is self-generating and is able to regenerate after the law of momentum has run its course.

CHEMISTRY

What is Chemistry?

Chemistry is the understanding of how atoms combine to form compounds, using the magnetic laws of attraction.

What is Ancient Chemistry?

Ancient Chemistry is the understanding of how star systems of the previous universe combine to form compounds, using the magnetic laws of Attraction.

What does previous universe mean?

The atoms and electrons of today are literally the star systems and planets of the previous universe.

How can this be so?

The same way a seed becomes a flower and then seed again. The star systems and planets of the previous universe become the atoms and electrons of the next universe.

Elements Are Star Systems – As Above So Below

How many natural elements are on the periodic table?

There are 100 natural (not man-made) elements as described on the periodic table. The first of these is hydrogen containing a nucleus surrounded by one electron. The last is Fermium containing a nucleus surrounded by 100 electrons.

How many types of star systems exist in the Universe?

100 types of star systems exist in the universe. The first of these has one sun surrounded by one planet. The largest star system has one sun surrounded by 100 planets.

First and Second Laws of Magnetic Attraction

How are ancient compounds formed? What are the laws of magnetic attraction?

The first law of magnetic attraction causes alike star systems to find each other and form compounds. For example, Star systems with one planet will find each other over the course of trillions of years and form the gas hydrogen. This is the reason why heavy metals like iron sink and gases like oxygen float. This law works in exactly 100 ways.

The second law of magnetic attracts unlike star systems. Unlike star systems that differ in number of planets form molecules. These molecules cluster together to form compounds. This law works in endless ways.

What is the source of the two laws of magnetic attraction?

The minds of our ancestors.

What becomes of the universe at the end of its purpose?

After the universe has obtained its purpose it becomes the first earth of the new universe.

Where do new stars come from?

New stars come out of nothing, adding to what is already present. If they were created from something then there would be no expansion. Stars are the condensation of the minds of our ancestors from the previous universe.

Alchemy and Chemistry Connection Explained

What is Alchemy?

A seemingly magical process of transformation, creation, or combination. – Google Dictionary

How can something come from nothing?

A part of the mind of God (The All Mind) condenses from its expanded state into the highest state of matter magnetism. Magnetism condenses to form electricity. Electricity forms light. Light forms Ether or Space. Gas, liquids, and solids condense out of ether.

How can The All Mind or Mind of God be Nothing?

Consciousness is not a tangible thing, yet it is the source of all things. The universe starts and ends at mind unity, or mind expansion. The minds of our ancestors become our minds by the process of separation. The mind is expanded by unity and is condensed to form substances, thus expanding the physical universe. This process has continued with no beginning, nor end. The universe is eternal in terms of having no beginning or end but continues to expand in terms of creation. In other words, the universe continues to create and the mind continues to expand without end.

At the end of the previous universe, the minds of our ancestors were expanded until the entire universe appeared to be the size of earth.

The First State of Matter – Solid

Solids are formed when particles are packed closely together. The forces between these particles create a strong enough bond where the object seems not to move but vibrates.

A solid is defined by a definite shape and a definite volume.

In truth, there is no real solid matter. All is a vibration that appears as a part of our conscience matches the speed of the object that we see.

The Second State of Matter – Liquid

A liquid is defined by a definite volume when the temperature and pressure are constant. A liquid conforms to the shape of its container. Molecules within the substance have enough energy to become mobile while still remaining bonded by intermolecular forces.

The Third State of Matter – Gas

Gas molecules are characterized by the ability to move quickly and freely due to negligible intermolecular forces and greater distance between molecules.

The Fourth State of Matter- The Central Substance – Space Luminiferous Ether

Space Ether or Luminiferous Ether is the medium filling all space and is the central supporting substance of all six other states of matter.

While modern scientists consider this substance hypothetical its existence is proven by looking up in the night sky.

This substance is pure absolute blackness or triple darkness and contains all other substances.

The original God gets his/her skin color directly from this substance. This substance is also the source of what people call melanin.

This substance gives every object in the known universe its individual color.

Spiritualist and Yogis refer to this substance as Prana.

The Fifth State of Matter – Light

Light is defined as a transverse wave or an electromagnetic wave that vibrates at a right angle in the direction of its propagation.

Light sources are either incandescence or luminescence.

The speed of Light in luminiferous ether, a vacuum or space has a constant speed.

The speed of light in a medium is slower than its speed in a vacuum or space.

The Sixth State of Matter – Electricity

Electricity is defined as a state of matter defined by the flow of charged particles (i.e. electrons).

Currently, scientists have been able to transmit

The Seventh State of Matter – Magnetism

Magnetism here is commonly referred to as Universal Gravitation in modern terms.

This is the attractive force between two objects with mass.

On a Universal Scale, Magnetism is the attractive force that brings together all star systems that are alike causing them to find each other.

On a planetary scale, we observe that heavy metals like iron and gold sink into the earth while hydrogen and oxygen gas float to the top forming water and our atmosphere.

The more electrons or planets associated with the interaction the stronger the bonds that form between atoms or solar systems.

The First Law of Magnetic Attraction is that like will attract like.

The First Law of Magnetic Attraction works in exactly 100 ways. There are exactly 100 natural elements on earth.

Natural elements outside start from hydrogen (1 planet or 1 electron) to Fermium (100 planet or 100 electrons).

The elements on the periodic table outside of these 100 elements are temporary and man-made and only last seconds.

The Second Law of Magnetic Attraction is that unlike will attract unlike.

The Second Law of Magnetic Attraction works in nearly endless ways.

This second law of Magnetic Attraction is observed most commonly by modern scientists in the form of ionic bonds. These ionic bonds are denoted in chemistry as being formed by the attractive force between oppositely charged particles.

Let's look at the Second Law of Attraction on the Universal Scale and the Subatomic Scale for everyday table salt.

On the universal scale, NaCl is formed by the attraction between a star system with 11 planets (Na) and a star system with 17 planets (Cl).

On the subatomic scale, NaCl is formed by the electrostatic ionic attraction between Na⁺ and Cl⁻. Na and Cl balance each other out when the compound NaCl is formed.

Commonalities Between the 7 States of Matter

The seven states of matter all have a spectrum that ranges in intensity.

All seven substances come out of the condensation of nothing or the mind of God.

God is infinite in eternity (no beginning and no end), but not in creation. This allows God to create and continue to make every new universe larger than the first to infinity.

All matter is a vibration of conscience. The highest of these vibrations is magnetism and the lowest is solid. Part of this conscience is inside of us vibrating as perception and the other part is outside of us vibrating as matter. All is you.

According to Black Root Science, "God condenses part of His Mind, which is in an expanded state, and forms the first substance, magnetism. Magnetism condenses further and forms the second substance, called electricity. Electricity condenses into light, the third substance of the universe, which further condenses into the fourth substance, called ether or space. The last 3 substances, gases, liquids, and solids, condense in three stages out of the ether."

We say that all is vibration because everything is a transformation of the same 'stuff' at different vibratory level.

We see in the process of photosynthesis that matter starts off from the level of light energy and is condensed into solid chemical energy through a plant or organism.

Just to be clear this is not the Mystery God (lie) but actual elders creating new star systems every 7,000 years. They (Elders) create over 6,000 years and rest for 1,000 years. For more on this see our blog post Knowledge of Self.

The fundamental particle of matter that modern scientist seek can never be found. As the universe has no beginning or end, just continues to expand over time.

PHYSICS

There is an ancient axiom that applies to the structure of the universe that states “As Above So Below”.

Indeed the Above is directly connected to the below as the macro (large universal scale) is connected to the micro (subatomic scale).

Astronomy and Physics

There are seven states of matter of energy magnetism, electricity, light, ether, gases, liquids, and solids. We are familiar with gases, liquids, and solids.

Ether is the central substance that supports all other states of matter. This central substance we know as space of in some schools of thought Prana.

Ether is pitch black and contains all other colors and substances.

Astronomy and Physics

The connection between Astronomy and Physics is simple. As above (stars and planets), So Below (atoms and electrons).

The ancient ancestors saw planets as electrons, the nucleus as the sun, and the solar system as atoms. There was literally no difference outside of size as the laws and principles that govern the bodies is the same.

If we look at the formulas of modern day physics used to predict the motion of bodies in a vacuum, we see that the laws that rule the motion of these bodies are the same only differing in the terms used to describe the phenomena.

Coulomb’s law describes the force between two charged particles.

Coulomb’s law can be compared to Newtons Law of Universal Gravitation

Astronomy and Physics

The earth is a giant electron and the sun is a giant nucleus and you are a mini-universe.

African Astronomy

Now imagine you are standing on an electron called Earth. This Electron is made of atoms and these atoms are made of smaller subatomic particles.

This occurs to infinity because it follows the law as above so below. The universe was made simple and scientist will never find the smallest particle. We see with modern particle accelerators each subatomic particle contains smaller particles.

The Ancients did not use equipment like particle accelerators and electron microscopes, they simply used their minds.

MORE SUPREME MATHEMATICS

Supreme Mathematics is the origin and understanding of numbers. One of the most important numbers in the Universe is the number 1 billion 8 million. The first number in the universe are 1,2,3,7, and 12. These numbers are followed by 5 and 10. These seven numbers are perfect and complete. They are the foundation of all other numbers.

In this article, I will break down supreme mathematics, as the initiated and conscious Blackman and woman understand it. The reason why this information is important at this time is that it will give us a better perspective of what is to come.

Supreme Mathematics – Important Numbers

1 – Knowledge – Divine Unity – The Beginning and End of All Things – God Begins As The Divine Unity of All Black People In The Universe

2 – Wisdom – Equality – Soul Mates – Man and Woman

3 – Understanding – Holy Trinity – Reality -Doer, Deed, Action – Elders, Chiefs, Judges – Man, Woman, Child – Father, Son, Holy Spirit – Mother, Daughter, Divine Life – Unity, Physical Energy, Life

7 – God- The Number of Completion

5 – Power and Refinement – Five fingers – Five Toes – Five limbs Surrounding the Human Torso (arm, leg, leg, arm, head, or A.L.L.A.H.)

10 – One God Backs Nothing Giving It Power and Perfection – One God Stands Behind Nothing to Create – Five Fingers Naturally Become Ten and the Basis for Counting.

12 – Tribes of The Black Nation – Social Relationships

24 – 24 Elders who are the Custodians of Divine Unity- “The 1b8m original people all withdrew from the divine unity except 24 people, 12 men and 12 women. They became the Kings and Queens called the 24 Elders, who are really 12 Gods or 12 soul mate couples. The 24 Elders are called the custodians of divine unity.”

144- 144 Chiefs who are the Custodians of Universal Energy – Creators of All Physical Conditions in the Universe

144,000 – 144,000 Judges Custodians of Divine Life – Creators of All Life

1,008,000,00 – Most Sacred Number in The Universe – The Number of Gods In the Universe – Creators of the Universe -The Maximum Number of Black People On Each Inhabited Earth

How To Use Supreme Mathematics – 1 To 1billion 8million

NUMBER 1 – DIVINE UNITY – ALL MIND

At the end of a given universe, all black people in the universe connect in the hearts and minds and form the One true supreme being God in a state of mind known as Divine Unity.

In this State of Mind, all black people know the experiences of each other as their own and the One mind expands to the point where the stars and planets of the universe become the nuclei and electrons of the first earth for the new larger Universe (the entire universe becomes the size of earth and the process of building new stars and planets starts again, as above so below).

Let's be very clear God is not a spirit. Spirit, as it is referred to in modern religion, is simply the All mind and spiritual growth is knowledge.

NUMBER 2 – MAN AND WOMAN

God splits from one into two.

NUMBER 3 – HOLY TRINITY

Holy Trinity

The Holy Trinity is simply the true name for reality. Doer, Deed, and Action. All reality consists of three things Unity, Energy, and Life.

At the highest level of manifestation, the Holy Trinity is God(father/mother), Universe (son/daughter), life (Holy Spirit).

The personification of the Holy Trinity at the highest level is, the 24 elders (12 Fathers/12 Mothers and Custodians of Divine Unity), 144 Chiefs (72 Sons / 72 Daughters of the Elders and custodians of universal energy), 144,000 Judges (72,000 men/72,000 women and custodians of Divine Life)

NUMBER 7 – THE NUMBER OF COMPLETION

Seven is the number of completion for all natural systems in the universe. There are seven openings in the human head, tones of music, messiahs, colors of the rainbow.

The reason why we get the number seven follows from the number three is due to the fact that there is four interaction between the three. The three are independent and the interactions are dependent on their presence.

There are three primary colors red, yellow and blue. These colors interact in four different ways. Red interacts with yellow forming orange (4th color). Red interacts with Blue forming indigo (5th color). Yellow interacts with blue forming green (6th color). All three colors interact giving violet the 7th color of the rainbow.

THE NUMBER 12 – THE NUMBER OF TRIBES

Twelve is the number representing social interactions. The purpose of all social interactions is mind expansion. God is perfect and efficient and has chosen the number 12 for mind expansion.

The divine abstract form of efficient social interaction is a sphere. A sphere represents expansion perfectly because it expands equally in all directions.

The limit to the number of social interactions to maximize efficiency is 12. The reason for this is described mathematically in the 3-dimensional kissing number problem.

According to Wikipedia, “In geometry, a kissing number is defined as the number of non-overlapping unit spheres that can be arranged such that they each touch a common unit sphere.” [1]

In three dimensions this number is 12.

Thus the number 12 is ideal for the purpose of mind and heart unity and expansion. The number of tribes in the Black Nation is 12.

The 12 tribes thus surround the central unity of God. No tribe is closer to further removed than the other, all are in touch with the unity of God.

1B8M BLACK GODS

THE NUMBER 1 BILLION 8 MILLION – 1,008,000,000

The number, 1b8m, is the most sacred number in creation. The reason this is so is that it is the exact number of people who can live on the planet in complete peace. We can clearly see the result of going over this number especially in a world that was not built on peace. This world as it is was build by Satan and for Satan for the purpose of learning what it would be like if God forgot himself. It is now time for God to remember himself and come back to his own.

The number 1 billion 8 million is reached as follows:

12 multiplies by 12 when 12 God pairs (24 Elders) choose 12 assistants making the 144 Chiefs.

144 multiplies by 1000 when 144 Chiefs each choose 1000 assistants making the 144,000 Judges

144,000 multiplies by 1000 when the 144,000 Judges choose 1,000 leaders and the population becomes 144,000,000

144,000,000 multiplies by 7 when the population of 144,000,000 each have 2 children per couple over 7 generations of a 7,000 year lifespan.

144,000,000 multiplied by 7 gives the number 1billion 8million. Which is the natural maximum population for the Black Nation.

144,000,000 are born every 1,000 years and this is equal to the number of people who die at the age of 7,000.

This is how the ancient Black Nation goes from divine unity (one) to the most sacred number 1billion 8 million.

This number remains sacred even until today during the 6,000 year cycle of evil where we no longer have the same lifespan. There are always 1billion 8million black people/incarnated Gods on earth.

According to Wikipedia, there about 140 million black people in the diaspora [1]

$1,008,000,000 - 140,000,000 = 868,000,000$ Black Africans that should be Living in Africa (This number excludes white and arab populations making up about 336,300,000 break down is below). Let's see if this number holds up.

Africa Total Population of 1,200,000,000 -330,000,000 Arab Africans [2] – 6,300,000
White Africans [3] = 863,700,000

868,000,000 -863,700,000 = 4,300,000 more Black people scattered throughout the rest
of the world. That's only a 0.43% error! Work is shown below.

The Percent Error Calculation

Step 1

$$\frac{|(1,008,000,000)-([140,000,000+(1,200,000,000-330,000,000-6,300,000)])|}{([140,000,000+(1,200,000,000-330,000,000-6,300,000)])}$$

Step 2

$$\frac{|(1,008,000,000)-(140,000,000+ 863700000)|}{(140,000,000+863700000)}$$

$$\frac{|1,008,000,000-1003700000|}{1003700000}$$

$$\frac{430000}{1003700000}= 0.00428414865$$

$$0.00428414865 *100= 0.428414865\% \text{ error or } 0.43\% \text{ error}$$

Now, this really proves that black people are the 1billion 8million original Gods of the
Universe.

The other 5 billion plus people on the planet, while many of them have melanin do
not have the Black Gene or Germ that is the seat of God. Thus these races from
Brown to White cannot independently produce a black child unless they procreate
with a Black person.

Human Lifespan and Life Expectancy In The Ancient World

“They all lived to be around 7,000 years old. They stopped aging when they were between 16 and 28 years old. Senior citizens, those older than 6,000 years, appeared to be between 25 and 28 years of age. All other adults who were under 6,000 years of age appeared to be between 16 and 25 years old by modern looks, except that they were much taller and incomparably more beautiful. Their skin color was the smoothest, deepest black. The men were about 7 1/2 feet tall on average, and the women a few inches shorter.” - Black Root Science

In our ancient society, the population was allowed to reach a maximum of 1 billion 8 million people. Over the course of a period of 1000 years, 144,000,000 people would replace themselves before passing at the age of 7,000 years. The one group of people who live longer than this 7,000 year lifespan are the 24 elders, the oldest of which is about 700,000 years old. The sacred number of 1 billion 8 million of our maximum population size is actually still preserved to this day. Our population is currently unconsciously approaching this natural maximum as proven in our blog post supreme mathematics. This is one of the requirements of bringing this cycle of evil and self-forgetfulness to an end.

All Black people come from Oneness. God (divine unity of all Black people) separated into 2 then 3 then 7 then 12 then 144 then 144,000 then 144,000,000 then after 7 generations became 1 billion eight million. The 1B8M Black people on earth today are those very same Gods.

Why are people no longer living that long?

“All sickness is caused by neglecting some aspect of your character.” - Black Root Science

In our ancient form of education, there were ten life rituals used to develop individual character. The first 7,000 aspects of a character are taught from the age of 7 to 14. Character development continues throughout the first 77 years of a person's life resulting in a high state of inner guidance with the higher-self or first-self.

The cause of disease falls into two categories. One is caused by the deficiency in one's own character. The other is caused by the deficiency in another's character.

Modern scientists are starting to understand the first of causes in the study of internal ecology. For example, the common cold is caused by stress. This stress produces mucus, causing one to have a cold.

Two common neglected aspects of character that cause a myriad of diseases are courage and self-love. Lack of courage often begins developed during childhood in the form of being afraid of the dark or the 'monsters' of one's own imagination. Lack of self-love results in diabetes and obesity.

The second cause of illness is also understood and is sometimes used to fuel the greed of modern society. One common example of a disease being imposed on another is inadequate breastfeeding during infancy. This is the reason the color of cigarettes and black and milds are made to resemble the color of a breast. Inadequate breastfeeding can contribute to cigarette addiction during adulthood.

“It's a natural fact that a perfect body and mind and a perfect balance of the 144,000 aspects of character lead to a perfect morality and a perfect society. All of them are mutually inclusive and interdependent.”

Ancient Life Expectancy – Diet

What about the type of food that we eat?

“The mucous-forming foods eaten by the people should be replaced with such less mucous-forming foods as plenty of vegetables and fruits.” - Elijah Muhammad

Eating the right food at the right time is of extreme importance if one wishes to prolong life. Proper food falls into three categories, energizing, harmonizing, and stabilizing. People eat energizing foods when they are in low energy and harmonizing foods when they feel hyperactive. Stabilizing foods like grains and other staple foods are balanced or neutral.

Human beings in their natural state are vegetarians. Plant foods are divided into three categories corresponding to parts of the body. The plants' parts correspond to opposite parts of the body. For example, food made from the root of a plant corresponds to the head. I remember my grandmother saying that eating carrots helped with vision. Thus foods like carrots and other edible roots correspond to the head and have an energizing property. Staple foods, like wheat, grains, and beans are neutral and correspond to the chest. Leaves and fruits are harmonizing foods and have a calming effect in terms of energy levels and correspond to the intestine and lower parts of the body.

How can a person live for 7,000 years?

Before we explain how a person can live this long it is important that we understand why we no longer see this in our everyday life. Prior to the cycle of evil (Past 6,000 years) that we are currently experiencing, where our life expectancy has drastically decreased, there was virtually no disease. The process that allowed for the deterioration of our bodies was actually started 50,000 years ago in preparation for our current cycle.

WHAT HAPPENED 50,000 YEARS AGO?

Prior to the 50,000 years of self-isolation, our society was so perfectly balanced that it did not allow for recessive genes to be expressed phenotypically. The self-isolation started 50,000 years ago disrupted our natural the perfect society. This deterioration in character allowed for the mutations necessary to allow for the physical expression of our recessive genes. It took 42,000 years of self-isolation to deteriorate the body from 12 active strands of DNA to only 2. The people who began to eat meat at this time were most dramatically affected but did not lose their humanity as they still possessed the Black Germ or seat of morality. Black Root Science contest,

“Their remains that have been found are wrongly dated by the unreliable modern dating methods and classified by modern scientists as distinct species, such as homo-erectus.” -
Black Root Science

50,000 years ago our ancestors underwent a deliberate process of self-isolation. This time period started a process of self-forgetfulness that would start to deteriorate our character.

The reason for this self-isolation was to deteriorate our character to a point where it allowed for the recessive germ or gene to be expressed. We have been experiencing the recessive nature of evil through people made 6,000 years ago through a process of selective breeding. These newly made people never existed prior to this time as everyone had pitch black skin (as we can see from the uncontacted tribes in parts of India). Prior to this time, our character was perfected throughout our 7,000-year lifespan through ritual and initiation to the point where a person became a perfect God, consciously passed away and united his/her mind with the mind of the 24 elders.

WHAT HAPPENED 6,000 YEARS AGO?

6,000 years ago God (Blackman and woman or 60,000 Elohim) made a man (non-blacks) in their image. This brought about the manifestation of evil in the physical universe and complete self-forgetfulness. Shortly after being made the Caucasian was exiled to the caucous mountains of Europe for causing mischief in the Middle East. Over the course of 2,000 years, until 4,000 years ago, the caucasian deteriorated to the point where they became ape-like humans like the neanderthal. Others began walking on their hands and feet and became the apes of today.

“They remained in such condition for 2,000 years no guide or literature. They lost all knowledge of civilization. The Lord, God of Islam, taught me that some of them tried to graft themselves back into the black nation, but they had nothing to go by. A few were lucky enough to make a start, and got as far as what you call the gorilla. In fact, all of the monkey family are from this 2,000 year history of the white race in Europe.” - Elijah Muhammad

Our Current Life Span – Quotes from How To Eat and Live by Elijah Muhammad

“If Noah and Methuselah had heard you boasting that your parents lived only 75 or 80 years eating poison, they would have considered your parents as never having grown up to become adults, according to their good way of eating the best food, about twice a week, and living nearly 1,000 of our present calendar years which consists of 365 days.”
– Elijah Muhammad

The drastic changes to our bodies and the state of society no longer allow us to live our ancient 7,000-year lifespan. However, as stated in ancient text such as the bible people within this cycle have been able to reach the age of about 1,000 years. We still have this capability if we are to practice proper dietary restrictions, specifically practicing proper fasting.

“Allah (God) has taught me, in the Person of Master Fard Muhammad, how to eat to live, so that I also may teach you. He desires to extend our lives from a short span, averaging 62 years, to a span of one thousand (1,000) years — or for as long as we desire to live. He said there is no set time for us to die.” - Elijah Muhammad

HOW TO FAST GRADUALLY – 7 YEARS TO PERFECT HEALTH

We will end this blog post with a discussion of the 7-year fasting program to perfect health. Prior to the time when this fasting program was available publicly, Elijah Muhammad wrote about the basic principles of living an extended life. You will see that

the fasting program from Black Root Science given at the bottom of this post corresponds exactly to the principles presented by Elijah Muhammad.

“Give your stomach from 24 to 36 hours to rest to digest its food. And, if you can take 48 hours or 72 hours, that is fine. But first try 24 hours and then 48 hours next. Do not try to start with 48 and 72 hours. Get used to eating one meal a day, then when your appetite is not strong for the next meal, by eating once every 24 hours, start eating every 48 hours. Never start 72 hours regularly until you are able to do so. Some of us have started eating every 48 to 72 hours and have to change back to one meal a day. This is not good to do. Fast 72 hours every now and then while you are eating once every day, (if you want to), once a month or once every two or three months. Never eat more than one meal a day unless you are sick and unable to eat the proper food due to the weakness of the body to carry you over 24 hours.”

Benefits to Completing the Fasting Program

“Live right, think right, eat right, and do right. You will not have to die to go to heaven to be like angels; you will be like them while you live.” - Elijah Muhammad

“My whole body felt light and my head was clear. I could almost hear insects crawling. (smile)” - Elijah Muhammad

“There are benefits related to the dormant glands of perception, the so-called chakras, which will become reactivated. There is also benefit regarding the dormant strands of DNA, which will also begin reactivation at the end of the 7 years.” - Black Root Science

Yakub, Yahweh, YHWH, Elohim “This World”

Who are the Elohim Angels?

The Elohim lived on the planet earth about 6,600 years ago. They are sometimes referred to in the Bible as angels. One famous reference to these Elohim Angels are the two people in white garments present during Jesus resurrection.

The Elohim are the 60,000 volunteers who took part in making man in our (Black People) image. This the non-black races that we see today, were made from a process of selective breeding. Prior to this time all people were Black. The preparation for the Elohim actually started 44,000 years prior when a group of Black People agreed to self-isolation. This time of self-isolation, 50,000 years ago, would lead to the deterioration of our character and thus our lifespan and bodies.

This deterioration caused for 10 out of 12 of our strands of DNA to become inactive. This allowed us to make other people from us through selective breeding because our bodies had been altered to a point where the expression of our recessive genes was now possible.

All the Elohim when they were incarnated on Earth had only 2 active strands of DNA.

ARE THE ELOHIM ANGELS STILL ALIVE?

At the end of their life, each of the Elohim ascended into bodies in the star system Sirius. We originate from this star system as our planet was seeded 78 trillion years ago from 144,000 Sirius natives. The home of the Elohim is now Sirius but they will return to Earth where they will rule as Gods.

This ascension was made possible as it is one of the seven purposes of the pyramids of Giza. Due to changes in DNA black people no longer ascended consciously, so when the pyramids were built this function was built into them in anticipation of Yahweh and the Elohim. Their personality/soul joined their twin soul on Sirius This is why passages are aligned toward the star system Sirius. The Dogon tribe in Mali still practice reverence of this star system as they are one of the original tribes.

What Did Yahweh (YHWH) and The Elohim Do?

6,600 years ago on the Island of Patmos (Pelan), the 60,000 Elohim volunteered for the selective breeding experiment. This experiment would make a new man/woman, who looked like but was unlike the original man/woman.

“26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and

over all the earth, and over every creeping thing that creepeth upon the earth. 27 So God created man in his own image, in the image of God created he him; male and female created he them.” Genesis 1:26-27

The “us” are the 60,000 Elohim. The making of a ‘man in our image’ is the selective breeding experiment.

This experiment would bring about four new races of people who have never been seen before. These races would have the Black Gene of Germ, which is the seat of God (morality) completely removed.

Yahweh’s Experiment – How The First Race Was Made

The dominant Black Gene takes exactly seven generations or 200 years to breed out. The dark brown children were encouraged to marry one another to produce a lighter child. If Darker children wanted to marry they were told that they could not have children because their blood did not match.

“He called the doctor first and said: Doctor, let all the people come to you who want to marry; and if there come to you two real black ones, take a needle and get a little of their blood and go into your room and pretend to be examining it, to see whether their blood would mix. Then, come and tell them that they will each have to find another mate, because their blood does not mix. Give them a certificate to take to the minister, warning the minister against marrying the couple because their blood does not mix. When there comes to you two browner ones, take a pretended blood test of them; but, give them a certificate saying that they are eligible to marry.” - Elijah Muhammad

The first race to be made at this time would become known as the brown race (Hispanic/Greek/ Portuguese/Latin). During the breeding of the first race, Black children were born alongside dark brown babies.

In order to instill a light-skinned supremacy mentality, many black children were murdered on the island. The nurses carried out this murder by pricking the child’s brain with a needle and telling the mother that it was a stillbirth. Some black children survived as parents hid their children and took them off the island.

The practice of child sacrifice has been wrongfully attributed to Yahweh (Yakub). Yakub himself lived 150 years. Shortly after his passing and the passing of the other Elohim, the remainder of the work was carried out by the nurses, midwives, and doctors on the island.

These new leaders who were now light skinned started to kill Black children out of fear of being overpowered. This was not a part of Yahweh’s original plan as he simply wanted Black children to be relocated to parts of the middle east as the selective breeding continued.

Legends of Moses being sent down the river at birth in a basket relate to the Black people who escaped the island. The story of Pharaoh ordering the killing of the first born son is

an alteration to what took place during this time. In fact, the legend of Cain and Abel describes the first act of hostility to occur on Earth. Cain represents the light-skinned race (later the Caucasian) and Abel represents Black people. This story would show up again as Noah's sons Shem and Ham and their descendants. Remnants of this initial conflict are found today between the Arabs and Jews, as the initial reason for the conflict has been lost due to time and misrepresentation.

Yahweh or Yakub's Work Is Carried Out For 666 years

“Of course, Mr. Yakub lived but 150 years; but, his ideas continued in practice. He gave his people guidance in the form of literature. What they should do and how to do it (how to rule the black nation). He said to them: When you become unlike (white), you may return to the Holy Land and people, from whom you were exiled.” - Elijah Muhammad

After the Making of the first race (over the course of 200 years), a second race was produced 200 years later. This race is made up of the Arabs/Persians/non-black Indians/Pakistanis/Jews of today.

The third race was produced from this second race after another 200 years. This race of people is the yellow race. The final race was made from the yellow race in just 66 years. Thus it took 666 years to make the Caucasian of today.

“Man was created of haste. I will show you My signs, so do not impatiently urge Me.” - Holy Quran 21:37

“According to the word of Allah to me, the white race was created in haste. Their father, Yakub, was in such a hurry to put his new people on earth as rulers, that he married them while very young (15 and 16 years of age). Knowing that they had only 6,000 years to go, he rushed them, so says the world of Allah to me. This makes them hasty by nature. They have a fiery temperament; while the original black man is meek and humble.” - Elijah Muhammad

Why Did Yahweh Make The Caucasian?

“In this work of Mr. Yakub, taking the white man out into, what we would say today, the fifth stage of the family, he became the fifth man, and the most distinct of all. He's a new man to every one of us, a new race of people with a nature and wisdom that is absolutely new and contrary to the aboriginal, the black man.” - Elijah Muhammad

Yakub of Yahweh made the light races for two primary reasons. Yahweh's creation is unique in the sense that it is the first time that evil is manifested in the physical universe. It was also important to understand what it was like to be other than perfect, as God only knew perfection. God seeks to understand all that is in him/her and the time had come to experience evil and self-forgetfulness.

What is The Destiny of The Elohim Angels' Made Man?

“He told his people, the white people, “When you have lived on this earth 6,000 years, don’t try to run the 7th, because the in the 7,000th year, your brother coming from the East, He’s going to eat you up.” - Elijah Muhammad

The universal law of momentum states that all things have a certain amount of momentum when they are made. The momentum of Evil is 6,000 years. This time has already run its course. The light races and their creations, the extraterrestrial species, have 1000 more years as a physical species. After this time there will only be black people left on earth. Without the Black Germ, these races are unable to self-generate or renew and thus live out a 7,000 year existence.

There are two secret societies that are fighting over control of the world before the appearance of Yahweh. The first group, the Theosophists, consist of mostly yellow-Asians and white-semites. The second group the Rosicrucians are made up of mostly caucasians. These two groups are the highest practitioners of the school of 33 degrees of knowledge Their primary intent is to use religion and mysticism to prepare the world for a false white/Asian messiah before Yahweh and the Elohim’s return. One famous example of this is the Rapture Bible teachings given to the world.

WHAT HAPPENS AFTER THE 1,000 YEARS OF PEACE?

The made man, lacking the creative Black Germ (the seat of God), are new personalities with a collective mind that lives in the God Yahweh. A part of the mind of Yahweh is the source of their inspirations and their inner guide. The made man has the free will to act on these inspirations or to act out their nature. When non-blacks die their personality is separated from the collective mind (Mind of Yahweh). Their personality is sent through mental realms where that ‘soul’ partakes in an endless spiritual evolution if desired. For more on this see our blog post on The Ego and Ascension.

For Black People the spiritual evolution reaches a climax when the person becomes a full God. At this point they gain access to all available heavenly realms that exist.

The point is that Black people are not the same as non-blacks. Black people are eternal beings, having no beginning or end, and are an incarnated God. The made man has his beginning (6,000 years ago) and an end (1,000 more years maximum) in the physical universe, and have a collective unconscious mind that lives in their maker Yahweh.

When Yahweh makes his return, many will begin to worship him. Those Black People who are already in touch with their first or higher self will know Yahweh as their eternal brother.

Purpose of the Pyramids

Who Built The Pyramids of Gza?

There are seven basic functions of the pyramids. Much of the technology used by the ancient Egyptians has been lost during the 6,000 year cycle of self-forgetfulness. This is not “Alien technology” or the work of some “Ancient Aliens” as some early astronaut theorist would like you to believe. But as Egypt was known as Kemet meaning “land of the Blacks”, you can find the origins of the pyramids and their purpose in ancient Black technology.

15,000 years ago the King of the Earth build the Great Pyramids at Giza. These three pyramids represent the 24 elders, 144 Chiefs, and 144,000 Judges. The first pyramid built was the smallest one and most important, this pyramid represents the 24 elders. The second pyramid built, in the middle, represents the 144 Chiefs. The final and largest pyramid built represents the 144,000 Judges.

The Seven Purposes of The Pyramids of Giza

The First Purpose of The Pyramids of Giza – Electric Power

The first function of the Pyramid of Gza was to transmit electricity. The type of electricity is transmitted was at a higher energy level than what we use today using the assistance of wires. Nicola Tesla actually was getting close to ‘rediscovering’ the use of this type of technology but the greedy nature of those in power did not allow him to test his more scrutinized or ‘far-fetched’ ideas.

As light ranges from infrared to ultraviolet, electricity, and all seven states of matter range in this way. The form of electricity used was transmitted directly through space (ether) like the way radio waves are transmitted today. The receiving stations for these transmissions were known as obelisks. Two that have been moved from their original location are the one in Central Park in New York and Cleopatra’s Needle in London.

The ancients had a high reverence for technology and saw it as a gift from the God. They only used this technology when it was necessary for the benefit of the group or the whole community. At other times they used simple hand tools. These hand tools were used as our ancient society understood the importance of the exercise gained from everyday work. This is why many archeologist believe that the ancient Egyptians did not have advanced technology as the vast majority of tools that they find seem primitive. They also date the pyramids to the time of Pharaohs, which is wrong as the pyramids of Giza were built about 15,000 years ago. However, they understand that the stone is too hard to cut using these tools so they go as far as to attribute them to aliens rather than their true Black makers.

The technology used during that time added value to the natural balance of the forces of the universe. Technology today actually causes degeneration in the form of the evil extremes of greed and cold-heartedness.

The Second Purpose of The Pyramids of Giza – Preservation

All Giza Pyramids

The pyramids are used to preserve life, both animals and plants during natural cataclysm. This is where the legend of Noah's Arc comes from.

The Third Purpose of The Pyramids – Space Travel

Pyramids that are larger than the pyramids of Giza are made from asteroid stone. These monolithic Pyramids are used to transport large groups of people (12,000) throughout different parts of the cosmos. This is how the ancients traveled from the star system Sirius to seed the planet earth.

The Fourth Purpose of The Pyramids – Balance the Earth Energies

The earth naturally has 12 nodes or points of energy where space energy enters our planet. These energy points need to be kept in balance in order not to disrupt the earth's natural magnetic field. This magnetic field protects the earth from harmful rays and meteors.

The Fifth Purpose of The Pyramids of Giza – Book of Stone History

The great pyramid is designed by the leading scientist or God of a given 25,000 year history. It is the Book of Stone providing the history (future) of the events that are to take place over that 25,000 year period. We are in the year 15,000 of this 25,000 year period.

A major event occurred 6,000 years ago that shapes the world that we see today, "this world" in the bible. They write this history in the sizes and types of stones used.

For example, there are 144,000 casting stones or limestone blocks used to build the Great Pyramid. These also represent 144,000 aspects of perfect character to be restored after the cycle of self-forgefulness (the past 6,000 years).

The Sixth Purpose of The Pyramids of Giza – Ascension and Resurrection

Pyramids were used as ascension machines and resurrection machines. Bodies were removed after the soul (personality) ascended primarily to the star system Sirius as was the case with the 60,000 Elohim.

There are 144,000 preserved bodies underneath the pyramid of Giza protected by magnetism and can only be opened by one of the 144 chiefs. These bodies are going to be used as the 6,000 year cycle of self-forgetfulness comes to a close. All of the seven mahdis have received one of these bodies and we will see ordinary black people begin to receive these bodies over the next years to come. These are going to become the Judges of the new society (promised land).

These bodies are actually preserved for black people who are alive now. These individuals will have activated their 12 strands of DNA through dietary restriction and mental exercises similar to ancient initiation. This modified initiation process is given in Level 2 of the book Black Root Science. These elect will be resurrected consciously into one of the preserved bodies. These elect can come from any society of the black nation but the vast majority of them will be the decedents of slaves.

These 144,000 perfectly preserved bodies will give birth to perfect children and the population will increase to 1 billion 8million as the remainder of original black Gods reincarnate.

The Seventh Purpose of The Pyramids of Giza – Divine Unity

The final purpose of the pyramids is to help facilitate Divine Unity which is held in the custody of the 24 Elders. This is a particular state of mind known as 'heaven'. This state of mind is one where a person becomes one with his eternal self.

Mahdis, Saviors, & Master Fard Muhammad

“But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.” –
Revelaton 10:7

In this blog post, we will discuss the seven saviors sent to the people of the planet earth over the past 6,000 years. We will dive deep into the life, history and mission of the finial savior known as the Mahdi or Master Fard Muhammad.

FIRST SAVIOR RAMA

Rama was born in India and is sometimes referred to as Vishnu. He was a black man sent to the people living in India during their time of strife.

“As S.N. Sadasivan explains in A Social History of India, “pastoral gods or fertility deities all over India were of dark complexion, which they sung as irresistibly beautiful and religiously auspicious.”

Sadasivan continues, “The seductive charm of the black complexion has been the object of floral adoration of southern poets from ancient times and the Ramayana itself extols the ecstatic beauty of Rama’s dark color.”

SECOND SAVIOR ZARATHUSTRA

Persians have started a religion based on his legened known as Zoroastrianism. His name as also been recorded as Zorro or Zoroaster.

THIRD SAVIOR QUETZAL

This third savior came to the people of South America and delivered what would eventually become known as the Mayan Calendar. Many Blacks migrated to Africa after this savior revealed the truth of the origins of the light races.

FORTH SAVIOR MOSES

When corruption was brought to Egypt God raised Moses. Moses was brought with a dual purpose. His purpose was to give comfort to the suffering people of Egypt under Pharoah and to raise the caucasian into civilization in Europe.

For more details on this refer to our post 6000 and 4000 years ago what happened?

FIFTH SAVIOR JESUS

The fifth savior was Jesus. His teachings would eventually become the Gospel used for Christianity.

SIXTH SAVIOR MUHAMMAD

The sixth savior was Muhammad. His teachings would eventually become traditional Islam used by the Orthodox Muslim.

THE SEVENTH AND FINAL SAVIOR MASTER FARD MUHAMMAD – THE MESSIAH IS HERE

Master Fard Muhammad or Wallace Muhammad was born on February 26, 1877 according to the Christian Calendar.

This is the perfect date for the birth of a savior. The date is 02/26/1877

If we add $02 + 26$ we get the number 10 or 1 standing behind a zero. That is the one God standing behind and backing that which was made nothing, the black man and woman. From the year we get 1877 or $7(8-1)77$ showing 7 as the number of completion 3 times representing the triple darkness from which life springs.

“For as the Father hath life in himself; so hath he given to the Son to have life in himself. And he has given him authority to judge because he is the Son of Man.” John 5:26-27

This son of man would come to usher in the new world and judge this world. If this occurred 2,000 years ago then we would not still be dealing with satan’s world today. But as we can see we live in a greedy war hungry and power driven world to this day.

This illustrates that a man will judge a man, not a spirit, but a man. According to Elijah Muhammad, “the base of spirit is form”. Spirit can only act through a form.

The formless God or the spirit God is just a plain lie. This lie has kept us from connecting with our divine or higher self as it causes us to separate the two. The spirit of God lies in you. This spirit must work through a form.

Wallace Fard Muhammad or W.F. Muhammad – Messiah Characteristics

Wallace Fard Muhammad traveled the entire world. He could speak 16 languages fluently and write 10 of them. He learned the language of the birds and extracted the language of the people on Mars and had knowledge of all life in the universe. He had been in North America for 20 years before making himself known in 1930. At this time he raised Elijah Muhammad and taught him for 3 years and 4 months before his departure.

Master Fard Muhammad Sister

We do not know much about Master Fard Muhammad's Sister but we do know that he had one. His Father had a child prior to Wallace Fard Muhammad who was woman.

Master Fard Muhammad Father

Much of what we know about Master Fard Muhammad's Father comes from the teaching of Elijah Muhammad. We know that he was a man of very dark complexion and was one of the original people. He went to the Caucasus mountains and found his wife, and their union would bring Master Fard Muhammad into the world. He could recite the history of the entire world dating back 150,000 years and knew the beginning and end of all things.

The reason Master Fard Muhammad's father had to go to the caucas mountains to find a wife was to fulfill the scriptures "God did by sending his own Son in the likeness of sinful flesh to be a sin offering. And so he condemned sin in the flesh."

The word "likeness" reveals that he (W. F. Muhammad) was not actually a being of sinful flesh but would resemble those who were. We see from the one picture that we have of Wallace Fard Muhammad that he was of very fair skin resembling the Caucasian who he condemned in his work.

The appearance of Master Fard Muhammad also fulfills the scripture that he would come "without observation" as a "thief in the night."

This scripture is actually clear proof that the bible is referencing one to come. The footnote in Revelation 16:15 that refers to Mathew 24:44 where it states "Therefore you also must be ready, for the Son of Man is coming at an hour you do not expect."

The True History of Master Fard Muhammad – Is The Messiah Here Already?

God came in the Person of Master Fard Muhammad. This statement is very clear on who Master Fard Muhammad is. He is the one who would reveal the truth of the mystery of God in the last days.

He came to the United States and took a man with a third grade education and taught him for only 3 years and 4 months. That man would go on to completely change the conscience of all black people on the planet earth.

Think this over. He raise a man who had a speech impediment and gave him enough information to raise a nation. What other organization of that time is still standing like the Nation of Islam?

Master Fard Muhammad also gave the measurements of our solar system and taught of the seven inhabited planets within our solar system. He introduced the information that would help to create modern genetics.

The information that he revealed was not in the textbooks in 1933. Master Fard Muhammad is that one, the savior with the wisdom of the Most High in the last days.

He built a spaceship that surpasses modern technology by millions of years. This is where he currently resides with Elijah Muhammad.

For more on the function of the mother plane see our blog post see [Is Honorable Elijah Muhammad Still Physically Alive?](#)

Master Fard Muhammad July 4th

July 4th is a very important date for the Nation of Islam and the Tribe of Shabazz (Black people globally)

“We believe that Allah (God) appeared in the Person of Master W. Fard Muhammad, July, 1930—the long awaited “Messiah” of the Christians and the “Mahdi” of the Muslims.”

Muhammad, Elijah. *Message To The Blackman In America* (p. 164).

Knowledge of Self

When you obtain a Knowledge of Self you become more in tune with your divine purpose. Our increase in knowledge and character improvement brings us closer and more in tune with our first self. Unity with our first self is the ultimate goal as the first self only knows perfection.

We are at the end of a 6,000-year cycle known as the cycle of self-forgetfulness. We put our first self to sleep to allow the recessive part of us to manifest a world that is contrary to the world that we knew for 78 trillion years prior.

Black Knowledge of Self

We have now been given the true knowledge of who we are to allow our awakening. Elijah Muhammad contest, "No people strive to lose themselves among other people except the so-called American negro. This they do because they lack knowledge of self."

Without a knowledge of self everything that you do will aid your enemy. You will simply add to the storehouse of your enemy in everything that you do.

We want to erase the greatest lies ever told. These lies are preventing us from connecting with our divine self. This higher self tries to communicate with us all the time but our miseducation prevents us from making that connection strong enough to take on our divine work in life.

The first of these lies is that we should fear God. You have heard us say it before, "I am a God fearing man". Well, then you are scared of who you really are. This is why we often have to be put in a dream-like state in order to accept this direct communication, then we wake up and say we had some kind of epiphany. The fear of God causes us to turn our consciousness inward whenever our higher self-attempts to communicate with us.

We have been taught that "no one can see God and live." This is the worst kind of lie as it makes you fear who you really are. God can only communicate to use when we are in a fearless and peaceful state of mind. So the lies of this world are made to directly combat this divine connection. Besides how can you fear something that you love?

God or our Higher self currently communicate to us in our sleep while we are in a dreamlike state, knowing that we will remember the parts that we need sooner or later. Our fear of this power causes us to forget our dream as soon as we wake up.

The first step in acquiring a knowledge of self is to reprogram our minds. We are not of this world but have been partaking in thoughts and practices that oppose our true nature.

Simply put we have to improve our memories and ourselves.

The greatest secret has been kept for 6,000 years and has now been revealed by the Mahdi directly to us. All black people come from oneness or God (divine unity of all black people). You are the supreme being that you seek to find elsewhere or outside of yourself. The vast majority of us have not experienced divine unity with our first or higher self so we doubt this truth.

There is no supreme being separate for you and your ancestors. The only God there is incarnated in us. God is you in your natural perfection divided into trillions of personalities.

Now really quickly for my brothers and sisters in the 5% nation and the Nation of Islam. You may be thinking, but “God came in the person of Master Fard Muhammad.”

This is true but he also came in the person of Elijah Muhammad, Minister Louis Farrakhan and you. The only difference between you and Master Fard Muhammad is that he was aware of the fact that he is God.

We look outside of self because we do not know self. Furthermore, when our divine self make him/herself known to use we often forget the experience.

Know Thyself

In summary, the supreme being is the divine unity of all black people, this is the one true God. You are a part of this divine unity equal to all other parts. When you unite with your first self you experience a state of mind where you know yourself as this one God. In this state of mind, there is no one else, you become supreme only over yourself because you have mastered yourself.

“To be rulers you have to have superior wisdom knowledge and understanding.” - Elijah Muhammad

“We need an education that eliminates division Among Us. An education that creates unity and makes us desire to be with our own.” - Elijah Muhammad

Knowledge of Self Definition

“The accumulating of knowledge As we now call it Education. First, my people must be taught the knowledge of self. Then and only then will they be able to understand others and that which surrounds them. Anyone who does not have a knowledge of self is considered a victim of either Amnesia or unconsciousness and is not very competent. The lack of knowledge of self is a prevailing condition among many people here in America. Gaining knowledge of self makes us unite into a great Unity. Knowledge of self makes you take on the great virtue of learning.”

Elijah Muhammad

Importance of Self Knowledge

Self-knowledge helps you and others to do for self. Without knowledge of self as a basis, everything that you do will assist your enemy. By obtaining the knowledge of self a person is able to discover his or her Divine Purpose and Mission.

Black Knowledge of Self Quotes By Elijah Muhammad

Today, if one rises up in your midst and says, “we should not lick the slavemasters boots, we should lick at our own Boots,” you would say, “he should be killed! he should be killed because he is teaching us to hate.” - Elijah Muhammad

“Since our being brought here in chains to the shores of America, our brain power, labor, skills, talent and wealth have been taken, given and spent towards the building and adding to the civilization of another people. It is time for you and be the so-called Negroes to start doing for ourselves.” - Elijah Muhammad

“It is knowledge of self that the so-called negros Lack which keeps them from enjoying freedom justice and equality. This belongs to them divinely as much as it does to other nations of the earth. It is a last will and purpose that we shall know ourselves. Therefore he came himself to teach us the knowledge of self.” - Elijah Muhammad

With knowledge of self you “could and should seek higher education without the danger of losing respect for yourself or seeking to lose their identity.” - Elijah Muhammad

“Who is going to teach you the knowledge of self? Who are you waiting for to teach you the knowledge of self? Surely not your slave master Who blinded you to that knowledge of self. The slave master will not teach you the knowledge of self, as there would Not be a master-slave relationship any longer.” - Elijah Muhammad

How to Gain Self Knowledge

Knowledge of self starts with a desire for self-improvement. When we seek this knowledge we seek to become our greatest version. As long as you are doing this you are on the right path.

We should seek to improve our memory, thoughts, actions, and gain control over what we eat and drink.

Here are a few practical ways to this.

Tricknology – White Supremacy

White supremacy is an instinctual survival tactic used to prolong the existence of the white race.

In this blog post, we dive into the science of white supremacy as a survival tactic and the tricknology employed to carry it out.

Tricknology Definition

Tricknology is a type of deception where one mixes truth and lies in order to take advantage, manipulate, and dominate. Often associated with the use of technology and fields of academia to impose a belief system based on a false foundation. Tricknology is “devilishment – telling lies, stealing any how to master the original man.”

According to the Oxford Living Dictionary, Tricknology is defined as follows:

US depreciative. The techniques of deception and manipulation employed by a dominant group (especially a white majority) to disempower a weaker one (especially a black minority).

Innovative techniques or technology, especially for recording or performing music.

Did you catch that?

Within this Oxford definition, we can see the use of tricknology itself, a blatant lie mixed with the truth. The truth is that tricknology includes, “deception and manipulation employed by a dominant group”. The idea of a white majority/black minority is the lie.

The projection of a white majority is a psychological defense mechanism at the conscious and unconscious level used to cope with the fact that whites are the minority on the planet and are genetically unable to produce color.

Furthermore according to Dr. Francis Cress Welsing, in her groundbreaking book *The Isis Papers: Keys to The Colors*, “any neurotic drive for superiority usually is founded upon a deep and pervading sense of inadequacy and inferiority.” This is the psychological basis for racism White Supremacy.

The genetic basis for White Supremacy according to Dr. Welsing rest on the fact that the “state of color absence acts always as a genetic recessive to the dominant genetic factor of color-production.”

Important Books On White Supremacy and Tricknology

Two of the most important books on this subject are the Isis Papers: Cress Theory of Color Confrontation by Francis Cress Welsing and Passive Aggressive Racism in The System of White Supremacy by Phillip Scott. After reading these two titles you will understand the mindset and tactics of The System of White Supremacy.

Phillip Scott appropriately includes the phrase “Passive Aggressive” in his title as the system of white supremacy takes this exact form.

You may have heard the saying, “the Devil (snake) has a forked tongue and speaks out of both sides of his mouth.” The word passive aggressive demonstrates a mixture of two opposing principles (similar to using truth and lies) used for the purpose of deception.

Phillip Scott poses the question, “If you hate us so, then why do you want to be like us?”

White people subconsciously want the ability to procreate color which is genetically impossible. This produces envy and hate at a very deep psychological and genetic level.

How Covert Racism Works

“Passive-aggressive racism means to covertly use WS [white supremacy] to trick, deceive and dominate non-white groups in a passive-aggressive manner.”

Phillip Scott. Passive Aggressive Racism In The System of White Supremacy.

Passive-aggressive or Covert Racism is a degree (knowledge) of Tricknology. This was taught during the very making of the white race.

The First Instance Of Passive Aggressive Racism – White Supremacy Origins

The first instance of passive-aggressive racism or the use of tricks and lies for deceptive purposes occurred in the making of the white race from black. This process of selective breeding or artificial selection was described by Elijah Muhammad as “grafting”.

“Yes after Mr. Yakub making them man, white from black, then the question is how yet did he become evil? This is done through the grafting to. In the grafting of a child, of the white out of black, he taught nurses that as soon as the baby comes to birth if it is a black baby, then give it over to the cremators or to some wild beast: destroy the child. If the mother is not looking at the child or watching you too closely, nurse, take a needle, and sharp needle, and prick it in the brain of the baby and tell the mother that her child was stillborn; We call them dead under that name stillborn. This process went on throughout the brown child for another browner one. The lighter one, or we say the lighter was saved all throughout. But having this murder inserted into the mind of the nurses to destroy the

darker or Browner or the yellow, until they got to the white one, once the white one came in, naturally this was in the nature of the white one color object thing other than white as a human being consequently He would try to destroy that is coming into his race.” -

Elijah Muhammad

This still goes on today Elijah Muhammad warns, “Be aware of the tricks the devils are using to instill the idea of a false birth control in their clinics and hospitals.

STERILIZATION IS NOT BIRTH CONTROL, BUT THE END OF ALL
POSSIBILITY TO BEAR CHILDREN.”

Furthermore, we continue to see the use of abortion as Black genocide.

How White Supremacy Works

THE REASON THE SYSTEM OF RACISM WHITE SUPREMACY EXIST

According to scholar Neely Fuller, “the goal of the white supremacy system is none other than the establishment, maintenance, expansion, and refinement of World Domination by members of a group that classifies itself as the white”.

According to Dr. Frances Cress Welsing, the Caucasian has implemented a number of peculiar psychological defense mechanisms resulting from numerical inadequacy and genetic color inferiority.

How White Privilege Works

tricknology-white-supremacy-privilage

White Supremacy is not built on overt and blatant racist actions. On the contrary, people who take part in the perpetuation of White Supremacy in this way are ostracized by their own white brethren. The reason being that it is not the passive-aggressive way that has proven most effective in promoting domination without retaliation.

The truth is that Black People by nature prefer Freedom, Justice, and Equality over retaliation. However, there is a deep psychological fear of black retaliation for centuries abuse. Thus, passive-aggressive racism is the only hope in delaying such a reaction. The oppressor can be outspoken against racism while promoting it subtly under the guise of a helper or a friend. This frienemy comes in the form of the nurse who suggests birth control after your first baby, the financier who offers money for partial ownership, or the teacher who starts your history with slavery.

To maintain White Supremacy the provocateur will make overt racism seem like the only type of racism when in fact covert racism has been the most commonly encountered during their 6,000-year existence.

Remember they did not just come to America and start killing Native Americans. They learned from them, broke bread with them, stole from them, claimed ownership, then killed them for imposing on white land. Or the Jomo Kenyatta quote “When the missionaries came to Africa they had the Bible and we had the land. They said, “Let us pray.” We closed our eyes. When we opened them, we had the Bible and they had the land.”

White supremacy follows the motto, If you can't do the evil deed behind their back, tell a white lie and do it in their face.

Tricknology: White Supremacy, Privilege, and Covert Racism

Now that we have discussed the psychological and genetic basis for White Supremacy, we will now focus our attention on the actual tactics used to enforce and perpetuate the system of White Supremacy.

Passive Aggressive Racism In The System Of White Supremacy

PSYCHOLOGICAL PROJECTION

Dr. Welsing states, “The most profound aggressions have been directed towards black people, who have the greatest color potential and, therefore, are the most envied and feared in genetic color competition.”

As a result of global numerical inadequacy and genetic color inferiority whites have produced the psychological defense maneuver of “projection”.

According to Wikipedia, “Psychological projection is a theory in psychology in which the human ego defends itself against unconscious impulses or qualities (both positive and negative) by denying their existence in themselves while attributing them to others.”

CAUSE TROUBLE THEN PLAY THE VICTIM

This is a classic tricknology tactic in which one acts like a victim after escalating or creating an unfavorable situation.

LIES TO TAKE ADVANTAGE

This tactic utilizes a lie to take advantage of the kind-hearted nature of others.

KILL THE MALE SAVE THE FEMALE

“When you help the Hebrew women give birth, observe them as they deliver. If the child is a son, kill him; but if it is a daughter, let her live.” - Exodus 1:16

CREATE THE PROBLEM THEN POINT THE FINGER

This tactic involves the use of gossip, entertainment, and music to create an environment where one can compromise the character of another.

White Supremacy Tactics Described by Philip Scott

The remaining 8 tactics are described in the highly recommended book *Passive Aggressive Racism In The System Of White Supremacy* By Philip Scott.

ASKING THREAT BASED QUESTIONS

This tactic is used to aggressively deny wrongdoing in the form of a question. They deflect the conversation with questions that suggest there is no evidence of racism that can be proven. Questions like “Can You Prove I’m Racist?” and “How are Black Oppressed in America?” are some example provided in the text.

MAKING WISTFUL THINKING STATEMENTS

These statements are used to make you feel ashamed or “racist” for having pride in yourself.

BACKHAND COMPLIMENTS

A compliment with insulting connotations. For example, “he is very well spoken”.

IGNORING OR SAYING NOTHING ABOUT WHITE SUPREMACY

There is an unwritten code amongst whites that if you speak out against White Supremacy you become oppressed. Therefore many whites act as co-conspirators in the oppression by saying nothing to keep their white privilege.

LEAVING YOU OUT

Blatant Miseducation around economic prosperity to keep you suffering and poor.

” In 1922 or 1923, when a debate was taking place in Congress concerning appropriation of funds for Howard University, a school set aside to train my people, in the nation’s capital. A senator said this, and it is in the records to be examined in effect: What would be the need of a government appropriating money to educate Negroes? He said that they would not teach our people the science of Modern Warfare (defense), birth control Or

chemistry. He knew These were things free people must know in order to protect, preserve, and Advance themselves. We have not been able to protect, preserve and Advance ourselves. This shows the slave master has been very successful in dominating us with an education beneficial to him. ” (41) - Elijah Muhammad

SABOTAGING BLACK PROGRESS

tricknology-white-supremacy-privilage

The white supremacy system waits for your success or when enough people are paying attention to what you are doing to destroy what you have built especially by means of destroying your character.

THE WHITE SUPREMACIST SCORE BOARD

White people keep tabs on everything that black people do.

BLATANT DOUBLE STANDARDS

A White Man’s heaven (white privilege) is a Blackman’s Hell.

Can you Reform The System Of White Supremacy?

“I repeatedly teach you this — that you cannot change the nature of the white man unless you graft him back into that which he was grafted out of. This is what Jesus means in the Bible, St. John, 3:7, in his conversation with Nicodemus. He told him that in order to enter the kingdom of heaven he must be born again because in John 8:44 (Bible), Jesus had condemned all of the white race to be devils, and their father was the devil.” - Elijah Muhammad
